

Med mobilpinkode kan du let og hurtigt udstede gæstetilladelser via din mobil.

1) Du anbefales at vælge en pinkode, du kan huske. Tryk derfor på knappen 'Skift mobilpinkode'. Alternativt kan du benytte pinkoden, systemet automatisk har tildelt dig.

2) Gå derefter til adressen: mitcp.dk/m

3) Indtast brugernavn, mobilpinkode og tryk 'Login':

The screenshot shows the mobile app interface for MITCP - Gæsteparkering. At the top, there is a status bar with 'YouSee' and the time '10.22'. Below the status bar is a browser address bar showing 'https://www.mitcp.dk'. The app header features the MITCP logo and the text 'MITCP - Gæsteparkering'. The main content area contains a login form with two input fields: 'Brugernavn' (Username) and 'MPIN / Password'. Below these fields is a black 'Login' button. At the bottom of the screen, there is a 'Sprog' (Language) dropdown menu and a navigation bar with standard Android icons.

Udfyld formularen og afslut med 'Tilføj gæsteparkering'.

Du kan se parkeringen nederst under 'Aktive gæsteparkeringer'.

The screenshot shows the 'Add guest parking' screen in the mobile app. The status bar at the top shows 'YouSee' and the time '12.08'. The app header says 'Velkommen'. The main form has a dropdown menu for 'Dalgas Have'. Below this are five rows of input fields: 'Fra' (From) with a 'Nu' (Now) button, 'Til' (To) with a '+24 t.' (24h) button, 'Reg. nr.' (Registration no.) with a 'Vælg' (Select) dropdown, and 'Gæsts navn' (Guest name) with a 'Vælg' (Select) dropdown. A large black 'Tilføj gæsteparkering' (Add guest parking) button is at the bottom of the form. Below the form is a section titled 'Aktive gæsteparkeringer' (Active guest parking) which currently shows 'Ingen køretøjer' (No vehicles). At the bottom, there is a 'Sprog' (Language) dropdown menu and a navigation bar with standard Android icons.
